MEMORANDUM TO ALL SUPERVISORS

I am very pleased to pass on to you a commendation from the President of the United States for the work of the intelligence services during the recent Cuban crisis. Mr. McCone's letter to me at the time of the presentation on 23 January is also attached. I would like each of you to read these two documents to your next staff meeting. I have also asked that they be distributed to our station and base chiefs, both overseas and domestic.

Please note that the classification is US OFFICIAL USE ONLY, and enjoin your personnel against public discussion.

We want each and every individual in the organization to know that our work during the Cuban crisis brought approbation from the highest level. We hope that this will be an inspiration to one and all for even greater efforts in the future.
